### YOUR DUTY OF DISCLOSURE

Our objective is to obtain the best product we can identify in order to meet your insurance needs. In order to make our business relationship work, you must provide complete and accurate information and instructions in a timely manner, so that there is no duty on insurers to make enquiries of you. Indeed, you are under a duty to make full disclosure of all material facts and fully and frankly respond to any requests for information made by insurers.

Further, all information which is material to your coverage requirements or which might influence insurers in deciding to accept your business, finalising the terms to apply and/or cost of cover must be disclosed. Failure to make full disclosure of material facts allows insurers to avoid liability for a particular claim or to void the policy. This duty of disclosure applies equally on taking out new insurance policies and on renewal or any change (variation, extension or endorsement) to your policies. We will not be responsible for any consequences which may arise from any delayed, inaccurate or incomplete information.

Please discuss with us if you have any doubts about what is material or if you have any concerns that we may not be aware of material information.
